

More than Bricks and Mortar

More than Bricks and Mortar is about the tenancy services we provide such as our approach to antisocial behaviour.

If you are passionate about the area where you live, take a look at the list below to see how you can help make a difference.

Ways to get involved:

- **Block Advocate** – you can become our “eyes and ears” in the block you live in. You can help us by reporting repairs, monitoring the communal cleaning and grass-cutting contracts. You can also give out information to other residents
- **Estate Walkabouts** – you can work with our staff to walk around a particular road or area to look out for fly-tipping, graffiti and anything else that needs to be reported
- **Green Forum** – you can share your gardening knowledge and skills with other residents to help them look after their gardens, support with litter-picking in your area and help us develop new ideas

- **Satisfaction Surveys** – you can complete Antisocial Behaviour, Homelessness and Wellbeing surveys to help us improve our services

There will be opportunities to take part in activities such as mini public panels, focus groups and attend pop-up and drop-in sessions.
