

# So, What's Engagement?

'Nothing about you, without you'

Engaging with you, our residents, is at the heart of everything we do. We want to make sure we are providing you with as many opportunities as possible to share your thoughts and make your voice heard.

We are committed to making sure you can get involved and help us make important decisions about the services you receive. We want to make sure no decision about you, is made without you.

We have developed new ways for you to engage with us. These include more digital platforms where you can share your feedback from the comfort of your own home.

You don't need to worry about giving up hours of your time or coming in for meetings because we have lots of new ways for you to share your views. You can take part in a Facebook poll, complete an online survey, join a virtual coffee morning plus much more! For those who prefer a non-digital way of getting involved, we still have some of your old favourites such as meetings, block advocates and estate walkabouts.

There are leaflets with information on the many different ways you can get involved. Please have a read through to see what interests you.

Let us know how you would like to be involved by completing the sign-up form.

We look forward to hearing from you!
